

Immigrants' Legal Defense Fund

From Bishop Rickel to our Diocesan Community:

The Legal Defense Fund was set up by Diocesan Council over a year ago. Since then we have given out nearly \$20,000 for help in legal defense for those trying to defend themselves against deportation, for those hoping for asylum, and other related matters. Just today I helped a single mother's case which has been reopened by the government after several years. Without it this mother would have no representation.

It has been a huge help to have this fund available to help those requiring it. It is now dangerously low and I am making an appeal to you and your congregations to seriously consider contributions to this fund. You may do so on our website by clicking on the link below and giving under "Legal Defense Fund" or by sending your check to the Office of the Bishop at the address below with the check marked for the "Legal Defense Fund."

Thank you for your consideration and thank you for your past contributions to this very important fund.

Blessings,
+Greg
